Though it has taken different forms at different ages, spiritual growth has always been a part of her life. Her life-long pursuit of experiential learning, and personal development have led her to become a Science of Mind Spiritual Practitioner, to obtain an M.A. in Spiritual Psychology from the University of Santa Monica, and to become a Reiki I practitioner. She is currently in the Conscious Business Training and Certification Program.

Kim nurtures her soul through spending time in nature, gardening, traveling, taking pictures, reading, soul-centered conversation, and writing poetry. She enjoys spending time with family and finding Joy in the small things each day.
