Certified Coach

Melinda Jacobs, CCHt. (Colorado)

As an International Intuitive Coach and Clinical Hypnotherapist, Speaker, Teacher and Author - my focus is on empowering transformation personally and globally. My practice specializes in supporting people to heal through and beyond past trauma. In addition, through online courses, I teach individuals and groups how to develop intuitive awareness of the energetic and metaphysical world. My unique approach helps people develop deep compassion for themselves while at the same time learning better habits and skills that are healthier, sustainable and life affirming.
