Certified Coach

Andy Fischer-Price

Andy has been on the inward path of spiritual growth and evolution for 15 years. Apart from working extensively as a Human Design reader and spiritual coach, he is also a musician and integration coach for healing plant medicine ceremonies in the Pacific Northwest. After transmuting a painful childhood into an embodied wise perspective, Andy is inspired to help others through their own healing alchemy. With his grounded and compassionate energy, he creates a safe, loving space for deep healing and transformation to occur in both one-on-one and group settings.
